What is the VAT on imports in Nepal?

The VAT on imports in Nepal is generally 13%. It applies to most goods entering the country, alongside other applicable customs duties. How can I check custom duty? Visit the Nepal Customs Department website or use the Customs Duty Calculator. You can also consult with a customs broker or agent for accurate calculations.

How has Nepal customs tariff 2081-82 changed?

The recent implementation of Nepal customs tariff 2081-82 brought changes to duty structures. These generally reflect a trend of reduced duties on technology imports and increased taxation on luxury goods. For precise duty rates, businesses should refer to the official Nepal Customs Tariff 2081-82.
