These scams start with an unexpected phone call, message on social, or even an in-person visit. The so-called official offers you an "energy audit" to reduce your utility costs. Or they might try to sign you ...

While you are browsing solar power companies, one of them may offer to install a solar panel or solar roof in your home for a small cost or even for free. It's an intentionally misleading claim.

In July, Connecticut Attorney General William Tong sued SunRun, and two smaller companies it worked with, alleging deceptive, unfair and illegal sales of solar power systems.

Learn how to spot solar panel fraud, avoid predatory contracts, and take action if you've been scammed, with guidance from Prevost Law Firm.

While you are browsing solar power companies, one of them may ...

Scams are unfortunately common in the solar industry. Learn more about some of the most likely scams you may face when trying to go solar.

Many companies allegedly participate in fraudulent practices in an attempt to scam homeowners out of their money. Despite this issue, the solar industry is continuing to broaden its reach.

Social media is full of angry complaints about shady solar panel installers. Odds are you've even encountered one of these high-pressure salespeople at your own home.

This article explores the most common solar panel scams, provides tips to recognize red flags, and offers guidance on protecting yourself from fraudulent solar companies.

It doesn't matter what they're selling--a new roof, driveway repaving, tree trimming, or solar panels--never hire someone who shows up at your door. You have no way of knowing who ...
